

SEXUALITY aGENDER v2

An Inclusive Sexual Health Toolkit

Recommended for young people aged 13 years and upwards

Sexuality aGender v2 is a brand new, pioneering resource pack. It is NOT a sexual health package for LGBT+ young people, it is an inclusive pack for ALL young people.

The Proud Trust has an extensive history of working with LGBT+ (lesbian, gay, bisexual, trans, plus other related identities) young people. Over the years, these LGBT+ young people have consistently told us that the sexual health information they have received in mainstream education has not been meeting their needs, for a variety of reasons.

Sexuality aGender v2 will enable you to engage with young people in a meaningful conversation about gender identity, sexuality and sexual health. This will in turn help them explore who they are and what they want, in a safe, supported way, free from assumptions.

Delegates will receive a Sexuality aGender v2 toolkit (cost without training £25) to take away and deliver in their settings. The toolkit contains four planned and resourced sessions on the following topics:

1. Exploring a Range of Identities
2. The Sexual Body
3. What Is Your Normal?
4. The Dice Game
